

LYRasis Learning Library and Live Webinar Login and Registration Instructions

Your institution's subscription to LYRasis Learning provides you with unlimited access to live, online classes and our Learning Library of recorded sessions.

These instructions are also available [on our website](#).

Learning Library login

If your institution provided its IP address to LYRasis, and you are accessing the Learning Library from your institution, you will be authenticated through your IP address, and do not need to enter a user name or password to login. If your institution has not provided LYRasis with its IP address/range, or you are accessing from another location, follow the instructions below.

Each person at your institution will need to register for an individual login for the Learning Library. There is no limit on the number of users that can be registered from your institution.

1. Go to <https://lyrasis.aviaryplatform.com/>
2. Click "Login" in upper right corner of screen.

3. If you haven't created an account yet, enter your information including name, email, and a password that you create, then click register. **Use your institutional email for this step.** Access to the Learning Library is controlled by user email domain, so to access content your email address needs to be the one associated with your institution.

[Aviary](#) is the platform for the Learning Library. If you already have an Aviary account, you can use it to log in to the Learning Library.

4. Access recorded classes, info sessions, and more in the Learning Library.

The screenshot displays the lyrislearning website interface. At the top left is the lyrislearning logo. A navigation menu includes 'Playlists', 'Resources', 'Collections', and 'About'. A 'Login' button is located in the top right corner. Below the navigation is a large illustration of a library or study area with people working at tables. A search bar is overlaid on this illustration. Below the illustration are three collection cards, each with a thumbnail image, a title, an information icon, and a search button.

- ArchivesSpace**: Thumbnail shows a server rack. Search button: Search Collection »
- Cataloging and Metadata**: Thumbnail shows a grid of small drawers or cards. Search button: Search Collection »
- Catalyst Fund Series**: Thumbnail shows a bright, starburst-like light effect. Search button: Search Collection »
